4	Vol II of II	15 of 43	Delivery Period	Bidder requested to consider delivery period 16 weeks from the date of issue of PO	Tender conditions prevails
TECHNICAL QUERIES					
1	Vol I of II	13 of 89	Bid Evaluation Criteria	Bidder requested to accept reference of 7500 SCMH DRS / 5000 SCMH DRS supplied to BGL as they supplied the same to many CGDs.	Tender conditions prevails
2	Vol II of II	10 of 43 Clause No. 3.8	Special Instructions to bidders	Bidders requested to accept that Items like Flanges, valves, fittings to be used in manufacturing of skids should have certificates conforming to EN 10204 3.1.	Accepted
3	Vol II of II	11 of 43 Clause No.3.11	Special Instructions to bidders	Requested to confirm the specs in SOR is valid.	Specifications in SOR is valid.

4	Vol II of II	26 of 43	RPD Meter Datasheet	Bidder raised query regarding RPD Meter Datasheet: As per EN12480 (As specified also in T4S PNGRB) is only upto 16 bar. So we recommend to use single RPD Meter In downstream of PRS, G1000 Meter which covers flow range from 8500 SCMH (4.5 Barg Pr.) which is widely used by Gas Companies.	Specifications are under review and updated details will be intimated to bidders shortly.
5	Vol II of II	41 of 43	CRV	Requested to confirm CRV should have relieving capacity of 1% as per T4S/PNGRB guidelines.	Confirmed that CRV should have relieving capacity of 1% as per T4S/PNGRB guidelines.
6	Vol II of II	8 of 43	Scope of Supply	Requested to confirm qty of skid supply. In SOR mentioned qty is 4 nos.	Quantity requirement of MRS in this bid is 4 no"s
7	Vol II of II	9 of 43 / Clause No. 3	Special instructions to bidder: For the MRS, inlet pressure will be 4 - 2 bar and outlet pressure will be 1-1.2 bar and Also if any modification will be required while change in the pressure, the same will be in the scope of supplier.	Bidder requested to clarify in detail about inlet and outlet parameters of MRS. Any changes in sizing of PRV and then skid will also changed.	For the MRS, inlet pressure will be 4 - 2 bar and outlet pressure will be 1-1.2 bar and Also if any modification will be required while change in the pressure, the same will be in the scope of supplier. Inlet 19-26 bar; Outlet 4 bar. To be READ AS For the MRS, inlet pressure will be Inlet 19-26 bar and outlet let pressure will be Outlet 4 bar.
8	Vol II of II	26 of 43 / Clause No. 16	DESCRIPTION OF METERING UNITS: All the flow meter will have to be calibrated with air at atmospheric condition. The calibration will have to be done by any NABL accredited agency authorized to carry out calibration of flow related to gas / air. The meter has to be calibrated at following flow rates – Q _{max} , 0.2Q _{max} ,	As flow meter is bought out item. Request to accept the calibration certificate issued by manufacturing company approved lab.	Tender conditions prevails

17/5/17

			Qmin(or minimum flow rate as per calibration agency/ Laboratory).		
9	Vol II of II	29 of 43	Specification of EVVCD (SI No.25): Data Connectivity- 2 ports # Serial RS 232/485, USB, Infrared ports are required for connectivity	Bidder requested to accept only one port is require for communication between EVC & laptop.	Data Connectivity for One port is accepted.
10	Vol II of II	38 of 43	Datasheet of RPD Meter (Sl. No.1): G400 300# RPD Meter	Bidders request to suggest vendor for G400 300# RPD meter.	Specifications are under review and updated details will be intimated to bidders shortly.
11	Vol II of II	40 of 43	Bought out items for MRS	Bidders request to accept AEL make for filters , to accept Hina /GM Engg make for Ball valves and to accept Elgas make for EVC.	Bought out items list are provided in the bid document. However additional vendors will be considered based on past experience, provided they have supplied for similar applications to CGD companies in India.
12	General		Weights & Measurements Department	BGL wants Model Approval Certificate from W&M Department	Model approval certificate from W&M Department is acceptable.

Bidder shall take in to account the above while submitting their bid.

The Corrigendum – I shall form the integral part of the tender document.

All other Terms and Conditions of the tender document shall remain unaltered.

M/s. Bhagyanagar Gas Limited
