

Addendum-II

July 05, 2010

SUB: ADDENDUM – II TO TENDER DOCUMENT FOR PROCUREMENT OF 600SCMH ELECTRIC MOTOR DRIVEN VARIABLE SUCTION PRESSURE CNG COMPRESSOR FOR HYDERABAD

REF: TENDER No. BGL/085/2010-11 Dt: 25.05.2010

This is for general information to all bidders that the following changes shall form part of the bidding documents.

SN	Clause no. of tender	As mentioned in tender	To be changed/ added
1	Clause No. 20; page no. 20 of 104 of vol II of II Completion schedule	For Indian Bidders: Delivery time (Ex Works)	...Delivery time (FOT site-Hyderabad)....
2		For Foreign Bidders: Delivery time (Port of Despatch-FOB)	...Delivery time (FOT site-Hyderabad)....
3		Within 8 Weeks from the date of Fax of Intent for Indian & Foreign Bidders	Within 12 Weeks from the date of Fax of Intent for Indian & Foreign Bidders
4		The date of L.R. shall be considered for the date of delivery for Price Reduction Schedule.	The date of receipt at Hyderabad/ FOT, Hyderabad shall be considered for the date of delivery for Price Reduction Schedule.
5		The date of Bill of Loading shall be considered for the date of delivery for Price Reduction Schedule.	The date of receipt at Hyderabad/ FOT, Hyderabad shall be considered for the date of delivery for Price Reduction Schedule.
6	Clause no. 3.1.1; page no. 9 of 110 for Technical BEC	The bidder (compressor manufacturer) shall have single point responsibility for manufacturing, supplying, installing and commissioning of Motor Driven Variable Suction Pressure Compressor Packages handling hydrocarbon gas.	The bidder (compressor manufacturer or packager) shall have.....
7	Clause no. 3.0; Page no. 33 of 104 SCOPE OF SUPPLY FOR EACH COMPRESSOR PACKAGE	Training of six engineers in three batches at Packager's works. The travelling, boarding and lodging of BGL's engineers shall be borne by BGL. Each training module shall span for one week and shall cover the equipment constructional features, operational and maintenance procedures, practical hands on experience on assembling, dismantling etc.	Training of five engineers for onsite training for 3 working days. training module shall cover the equipment constructional features, operational and maintenance procedures, practical hands on experience on assembling, dismantling etc.

Also please find the enclosed for the Clarification – I as Annexure – I (inclusive of BEC Scope of Work & BEC Technical) and Revised SOR as Annexure – II for the queries raised by various bidders.

Bidder shall take in to account the above while submitting their bid.

The due date for submission of the bids is 12.07.2010.

All other Terms and Conditions of the tender document shall remain unaltered

Please submit this Addendum – II duly signed and stamped along with your offer as a token of acceptance of the conditions stated here in above.

Please acknowledge the return of this Addendum by return fax / e-mail.

Thanking You

Yours faithfully
For and on Behalf of
M/s Bhagyanagar Gas Limited

A.V.V.R. Murthy
Manager C&P

CLARIFICATION-1**Reply To Pre Bid Queries & Addendum For CNG & City Gas Distribution For Hyderabad**

Tender No. : BID DOCUMENT NO.: BGL/085/2010-11.
 Item : VARIABLE SUCTION PRESSURE CNG COMPRESSOR

BIDDERS ELIGIBILITY CRITERIA**1.0 BRIEF PROJECT DETAILS**

Bhagyanagar Gas Limited (BGL) is a joint venture company of M/s GAIL (India) Limited & M/s HPCL BGL has been set up to supply PNG to household, commercial & industrial sectors as well as to distribute CNG to vehicles including setting up of CNG filling stations with its infrastructure in the city of Hyderabad.

2.0 SCOPE OF WORK

Design, engineering, supply, erection, testing, commissioning, one year O&M service during warrantee period and two year O&M services during post warrantee period of 1 year of 08 nos. **Electric Motor Driven variable suction Pressure CNG Compressor Packages of average capacity 600 SM³/hr**

BIDDERS ELIGIBILITY CRITERIA**3.0 Technical**

- 3.1.1 The bidder (**compressor manufacturer or packager**) shall have single point responsibility for manufacturing, supplying, installing and commissioning of Motor Driven Variable Suction Pressure Compressor Packages handling hydrocarbon gas.
- 3.1.2 The bidder in the last Five years should have engineered, manufactured, tested, supplied from the proposed facility of manufacturing at least three compressors identical or higher to the proposed package in terms of type of Compressor (i.e reciprocating CNG Gas Compressor Operating on Variable suction pressure), type of driver (i.e. Motor Driven), size of equipment (i.e. shaft power, compression capacity, discharge pressure), cooling system, control panel and auxiliaries of Similar rating to customers **anywhere in the world** and at least 2 of these packages shall have completed the continuous trouble free operation for a minimum period of **5000 hrs** as on the bid due date.
- 3.1.3 The offered compressor shall be proven make from the bidders existing production range and must meet performance requirement as stated under 3.1.2 above.
- 3.1.4 The offered electric motor shall be of approved make from one of the regular production range of the motor manufacturer for mechanical drive applications and must meet performance requirement as stated under 3.1.2 above.

The bidder shall be required to submit the documentation and proof for above requirements and purchaser may at his discretion make additional checks for the same.

1. Clarifications sought for tender of 600 SCMH capacity Motor driven (8nos.) Variable Suction Pressure CNG Compressor Packages:

SPECIAL CONDITIONS OF CONTRACT – Volume II of II				
3	1.0 GENERAL Page no. 9 of 104	This enquiry envisages total responsibility for complete work from design, engineering, manufacture, supply/shipment, port handling, clearance at port of entry in India, inland transportation within India up to the designated Project Sites, all taxes, duties, (except Custom Duty on the imported component in case of Foreign Bidder only) levies, fees, encumbrances, octroi, etc. as applicable and payable by the bidders under the Contract in India, all insurance handling of goods at all stages, storage, associated works including materials, tools/tackles etc., grouting, till the time of handing over, installation, testing, pre commissioning, performance test, Site Acceptance Test, Trial Run, system commissioning and handing over at site to the Owner and Operation and Maintenance Work as specified in technical parts for the items stated in Price Schedule and in Technical Part.	Please note that as per the exclusions in technical section the civil work is excluded from our scope, whereas the referred clause specifies civil works and the related statutory approval from local authorities. We wish to clarify that our scope includes supply erection and commissioning of package excluding the civil works, approval from statutory authorities like Municipal corporation, CCOE, etc. Kindly confirm your acceptance.	Tender conditions prevail. However, Civil foundation is excluded from the scope of bidder & grouting of the package is under the scope of bidder. Clearance from Statutory authorities Is not in the scope of bidder.
4	CI 1.3 Page 9 of 104	The quoted price shall be deemed to be inclusive of all applicable taxes & duties including Service Tax, works contract tax, sales tax, local taxes, import duty, excise duty, octroi and other levies etc. till the complete execution of the order as applicable in India under this contract and the bidder shall not be eligible for any compensation on this account.	Please note that as Octroi is not part of Evaluation basis, it shall not be a part of Price Schedule. We request that octroi shall be paid extra at actual. Please note that Octroi paid on the package is a separate levy and cannot be included in the freight price as per column of SOR.	Octroi, if required shall be paid extra at actual
5	CI 1.4 Page 9 of 104	At the designated site the Owner shall make available to the Bidder requisite open land for the purpose of storage, office and other related uses during the site work. Fencing of the demarcated area if necessary shall be done by the Bidder at their cost. All arrangements and temporary construction if any, within allocated area for adequate storage and safe custody of all goods received against the order and for all other allied activities of the Bidder shall be done entirely by the bidder at their own cost. The total contract price shall be considered to be inclusive of all costs towards the above requirement.	We request the Client that fencing of demarcated area, storage, temporary construction of office/storage construction shall be done by the Client.	Tender conditions prevail.
6	3.0 TERMS OF PAYMENT	3.1.1 For Indian Bidders a) 85% of supply value including string test as applicable	Please note that for Indian Bidder the total Payment percentage comes to 95 %, remaining 5 % is	85% to be read as 90%.

Sl. No.	Clause & Page No.	Description in tender documents	Clarifications / Request for change.	BGL Reply
	Page 13 of 104	will be paid progressively by Owner within 15 days against receipt of the following documents:- ----- B) 10% payment: On completion of PG test, all other works & final acceptance by the owner and submission following additional document: - -----	missing. Please clarify. Also We request you to agree the payment terms as following: <ul style="list-style-type: none"> 90% of supply value including string test as applicable will be paid progressively by Owner within 15 days against dispatch of material with the following documents:- ----- 10% against successful E&C, and if the commissioning is delayed because of non-readiness of site then the final payment to be released within thirty days of equipment receipt at site. Please also refer the clarification mentioned in the covering letter.	
7	7.0 TERMS OF PAYMENT Page 14 of 104	3.2 Erection, Testing, commissioning & field performance etc. 100 % Payment will be paid on erection, installation, testing of individual items and successful trial-run of the system, completion of all works and on final acceptance.	We request you to agree the payment terms as following: 100% against successful E&C, and if the commissioning is delayed because of non-readiness of site then the final payment to be released within thirty days of equipment erection at site.	Tender conditions prevail.
8	20.0 COMPLETION SCHEDULE	Electric Motor Driven Variable Suction Pressure CNG Compressor Packages – 600 SCMH 8nos. Within 8 Weeks from the date of Fax of Intent.	Please note that the delivery of 4 nos will be in 16 weeks & subsequently remaining 4 nos. will be 20 weeks from the date of fax of intent.	Please refer as attached below
TECHNICAL SPECIFICATIONS				
9	3. SCOPE OF SUPPLY FOR EACH COMPRESSOR PACKAGE Page 32 of 104	Y- type strainers, valves, sight flow indicators, check valves, fuel supply/conditioning system etc.	Y-type strainer, valves & sight flow indicator are not provided in the Frame Lube Oil Circuit. We have provided paper filter for frame oil & check valve in that circuit. This is the standard system we have provided in all our Please let us know your acceptance	Accepted
10	3. SCOPE OF SUPPLY FOR EACH COMPRESSOR PACKAGE Page 33 of 104	Acoustic enclosure for Compressor package, with one number L.E.L detectors and one UV detectors in the enclosure.	Please confirm number of LEL & UV detectors in the enclosure of each compressor package.	Each package ENCLOSURE shall have two nos. (2) LEL detectors (IR Type) and two nos. (2) Ultra Violet (UV) fire

B.2	Field Performance Test	Nos.	8				
B	Sub-total (Erection & Commissioning)						
C	AMC						
C1	Lump-sum Annual operation, Repair & maintenance charges per Compressor Package for 1st year warranty period including oil, lubricant, consumable and all spares , manpower, etc excluding service tax	Nos.	8				
C2	Lump sum Annual operation , Repair & maintenance charges for a period of two years after warranty period of one year inclusive of all consumables, manpower, all spares, lubricants etc. but excluding service tax	Nos.	8				
C	Sub-total (AMC)						
	Grand Total(A+B+C)						

Notes:

1. Prices quoted at column 10 are all inclusive of applicable taxes, duties, freight, insurance and other incidental charges, and Purchaser shall not be liable for any extra payment against the scope defined in this tender.
2. Bidder to quote prices for all items in each column (i.e. Unit & Total price under FOT Site) and ensure that total prices quoted is for complete scope and terms and conditions of Tender document.
3. Bidder to note that in case of discrepancy in unit & total price, the unit price of item shall prevail.
4. Quoted prices shall be inclusive of all other testing & inspection charges as required in Job Specification.
5. Tax Deduction at Source (TDS) towards income Tax and Works Contract Tax (WCT) shall be made by Purchaser as per applicable rules and TDS certificate issued. Any benefit available to Contractor against TDS certificate, same shall be passed on to the Purchaser
6. Bidder to note that once quoted, no price change shall be allowed.
7. Bidder's quoted prices should be inclusive of On-site Training (Five personnel for three working days) as per Tender documents.
8. Bidder shall quote prices in the given format of Schedule of Rates and shall not modify the format in any form.
9. BGL reserves its right to split the total quantity required among more than one bidder.
10. Owner shall provide concessional sales tax form 'C'. Therefore bidder to consider and include Sales Tax on finished goods accordingly.
11. In case excise duty is charged, you will submit necessary documents to enable us to avail CENVAT CREDIT under Central Excise Rules.
12. The bidder has to provide the rate of taxes & duties quoted:

Excise Duty	:	@ ___%
Service Tax	:	@ ___%
CST	:	@ ___%
VAT	:	@ ___%
WCT	:	@ _____%
14. The bidders are required to quote the CIF value of import content in the supply portion separately under Column 11. Any increase/ decrease in taxes & duties liability on imported content due to statutory variation in owner's country shall be passed on to owner.
15. Bidder to indicate the currency.
16. Bidder to submit price break-up for Essential Spares.

17. Owner reserves the right to place the order for all items as mentioned in the SOR or delete any item from the bidder's scope of supply / scope of work.
18. Quoted Prices as such will remain Firm & Fixed till complete execution of Contract excepting for statutory variations against documentary evidence on the rates of taxes and duties of Owner's country included in the contract Price and also imposition of any fresh statutory levy/ tax.
