SCOPE OF WORK/SERVICE and SPECIFICATIONS

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

SCOPE OF WORK / SERVICES

A. INTRODUCTION

Bhagyanagar Gas Limited (BGL), a joint venture company of GAIL & HPCL, has undertaken an eco-friendly ambitious project to supply CNG to the automobile sector and natural gas to domestic, commercial, and industrial consumers in the State of Andhra Pradesh. The company is in continuous process of expansion of CNG stations. Transport services are required for transporting of CNG cascades from “Mother Station” to “Daughter Booster Stations” located in and around Vijayawada where natural gas is not available through Pipeline.

CNG cascades mounted on Light Commercial Vehicles (LCV) shall be filled from Mother Station, Vijayawada/ any other online stations in Vijayawada during the contract period for transporting to daughter booster stations.

B. SCOPE OF SERVICES

The scope of CNG transport services shall in general consist of but not limited to the following scope of services.

For Vijayawada Operations:

Providing Light commercial Vehicles (LCV) of minimum payload of 6.5 tons on rate contract basis for a contract period of Four Years for local Transport in Vijayawada.

1. **Vehicle Models:** The Vehicle Model for this contract should be the year **2023** and CNG fuelled.
2. **Auxiliaries:** *Vehicles shall be provided with two earthing connections and fitted with a spark arrestor on the exhaust for which no extra cost shall be payable by BGL. If not provided as stated above the owner reserves the right to get it done at the cost of the supplier.*
3. **Ownership:** The contractor must have 100% ownership.

Bidder must submit a) Valid Registration Certificate of the LCV/ HCV for ownership proof issued by RTO in name of firm/ bidders in case of Proprietorship/ Partnership concern and in the name of the company for other than Proprietorship/ Partnership concern issued by RTO. b) Valid Insurance Policy of the LCV/HCV issued by the underwriter. c) Valid vehicle Fitness Certificate of the LCV/ HCV issued by RTO.

The contractor shall submit schedule of deployment of vehicle / vehicles within 10 days of FOA/WO. The schedule shall be supported with the documentary proof.

4. **Contract validity:** The duration of contract shall be **Four years** from the date of work order. Any further extension shall be at the same rates, terms, and conditions at the sole discretion of BGL. The estimated number of LCVs shown in tender notice is indicative and is subject to change.

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

5. **Supervisors:** The Bidder shall deploy competent Supervisors for the purpose of coordination with BGL for monitoring the Vehicles movements. Non-deployment or non-availability of supervisors during the operational hour(s) will attract a penalty of Rs. 3000/- per day.

Contractor shall depute adequate numbers of supervisors up to the satisfaction of engineer-in-charge. Supervisors shall be provided with the conveyance and mobile phone for effective supervision and better co-ordination.

Contractor shall deploy adequate nos. of supervisors in his office with mobile phones for effective supervision and better coordination of vehicle movement among EICs and Vehicle Drivers.

The roles and responsibility of Supervisor shall be as under:

- i. Shall be responsible to manage the fleet management of vehicles operating for BGL & providing the required information to EIC on day to day basis.
- ii. Shall be responsible for coordination with Drivers for smooth fleet operations.
- iii. Submission of daily / monthly vehicle running reports
- iv. Planning for maintenance of vehicles with minimum disruption for operations

6. **Payload:** LCVs offered by the bidder should be capable of carrying **minimum 6.5 tons** payload capacity. Required capacity payload vehicle shall be deployed by the bidder & it is mandatory to meet the RTA requirement. The bidder shall take delivery of CNG storage cascades from BGL store or any BGL CNG stations and securely mount the cascades on Vehicle chassis with cushion support along with locknut and bolts at his own expense. The mounting nuts and bolts should not become loose during normal operation. After taking over custody of cascades, up keeping and safety of cascades is the responsibility of the bidder. These cascades then transport CNG from Mother station to Daughter Stations / Daughter Booster Stations. On expiry or termination of the contract, cascades shall be returned at the designated Station / store as intimated at that time at bidder's expense.

In addition to loading and unloading of LCVs at the start and closure of Contract, Bidder will also be asked for one time unloading and loading of cascades which are due for Hydro test during the tenure of the contract from respective LCVs to BGL work site in and around Hyderabad city at bidder's expense.

All material required for securely mounting the cascades & crane services required for loading & unloading of cascades have to be arranged by the bidder at his own cost. The Payload capacity of vehicle shall be 6.5 Metric Ton means Vehicle shall have load carrying, capacity of minimum 6.5 Metric Ton (RTO approved). Gross Vehicle Weight (GVW) shall be as per original equipment manufacturer (OEM).

7. **Driver Responsibilities:** Driver of the Vehicle shall make / remove the quick release coupling connection at the daughter Stations / Daughter Booster Stations and CNG Mother Stations, Operate the Cascades Manifold Valves, Check and record the cascade pressure at CNG Mother Stations and Daughter Stations / Daughter Booster Stations. For doing these jobs in a safe manner, the driver has to be trained in any CNG station of BGL before actual deployment to drive the cascade mounted Vehicle.

Bidder shall ensure that all drivers prior to commencing their duties at the start of the contract & any driver who newly joins during the contract period shall undergo an induction program carried out by Site Engineer / Fire and Safety Supervisor at Mother

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

Station. The drivers shall be issued STC Card (Safety & Technical Competency Card) after the completion of induction training. No driver shall be allowed to carry out the duties without obtaining STC Card. The Bidder shall notify BGL of any change in drivers so that the new drivers, if acceptable to BGL can go through the approval process before they are permitted to perform duties. The bidder shall provide timely notification and shall ensure that such personnel changes do not disrupt the service provided by the Transporter. Drivers shall always carry the STC card when they are on duty. If any driver found carrying out the duties without obtaining

/ without carrying the STC card, penalty of Rs 1000/- shall be imposed for each instance.

The driver should have valid explosive license & minimum 4 years of driving experience on similar type of vehicles. They should be able to read and write the local language and the age of the driver shall not more than 56 years

The driver should not consume any intoxicant or alcohol and smoking while on duty, if found a penalty of Rs.5000/- shall be imposed and he will be terminated from his duties. Drivers should be engaged on rotation basis and changed periodically.

Drivers should not indulge in formation of collectives/union/any other illegal activities which are detrimental to the interest of BGL

Drivers should have mandatory uniforms & wear PPE's.

8. The bidder shall bear the entire operational cost including all repair and maintenance of the vehicle for transportation of CNG in cascades which shall include but not limited to the following
 - a) Wages and other emoluments for the drivers, helpers & supervisor as per **applicable minimum wages act including PF, ESIC etc. If the bidder fails to arrange the same, then a penalty of Rs. 2000/- per vehicle per month will be levied.**
 - b) Cost of fuels, brake oil and lubricating oil, oil required for operation of the vehicles etc.
 - c) Repair and Maintenance cost of the vehicles.
 - d) Licenses, permits, road tax, third party insurance and any other statutory levies.
 - e) In case of any accident, bidder shall co-ordinate with Statutory Authorities and the liability will solely rest with the bidder.
9. The bidder shall operate their vehicles at their own risk entirely and BGL shall in no case be held responsible for any damage to the vehicles while on BGL's work. The bidder shall maintain the vehicles in sound mechanical condition at all the times. The bidder will rectify any defect noticed by him or notified by BGL immediately.
10. The bidder shall ensure the safe & correct delivery of CNG at the nominated destinations in the same condition in terms of quality and quantity as has been taken by the bidder at Mother Stations. Any infringement of the above will be deemed as unlawful and BGL will hold the bidder legally responsible for the same. Additionally, BGL also reserves the right in such an event, to forthwith terminate the contract and / or to impose penalties on the bidder, as BGL may deem fit.

Signature & Seal of the Bidder

Page 6 of 45

Bid Document No. BGL/593/2023-24

Vol II of
II

11. Communication set:

- a) The bidder shall arrange two-way communication set such as WLL telephone/cell phone to be made available at all time with the vehicle/driver and with the Supervisors for LCV movement control. The safety and security of the handsets will be the responsibility of the bidder. In case of loss or damage the bidder shall be liable for repairing / replacing the sets immediately at his own cost. In case the bidder fails to provide this facility, BGL shall make alternate arrangement to make the system operational and necessary payments in this regard shall be made directly to the service provider after deducting such amount from the bills of the bidder.
- b) **GPS tracking should be made available for monitoring at all the time and non-working of GPS for any LCV will be construed as deviation in the operation of LCV.** For this purpose, the bidder shall install Vehicle Tracking System (only if manufacture fitted not available) in all the deployed LCVs. The safety and Security of the Vehicle Tracking System will be the responsibility of the Bidder. He shall also provide the necessary software to BGL for day-to-day monitoring. If the bidder fails to arrange / repair the Vehicle Tracking System, then a penalty of Rs. 5000/- per vehicle per month will be levied. If the same situation continues for more than a month, these vehicles shall be kept aside and no payment shall be made against these LCV's.

- 12.** Hiring charges of Vehicle shall include services of Drivers and Supervisors for 24 hours in a day for all days in all the vehicles. No personnel shall be allowed to work for more than **12 hours** in a day for which adequate number of personnel shall be deployed. Bidder has to strictly follow the same and shall have to make necessary arrangements at his own expenses.

- 13.** The mobilized fleet shall be fitted with spark / flame arrestor of a design approved by Chief Controller of Explosives and provided with wheel jack, tool kit, and spare wheel(s) at bidder's own cost.

- 14.** At the time of deployment, the mobilized fleet shall be painted with colour code as per the Central Motor Vehicle Act in addition to the statutory display requirements to carry CNG. The bidder shall be responsible for providing suitable signboards/display boards during Vehicle movement on road or in parked condition. Each Vehicle to paint rear & side panels for display of company name and logo in combination to fulfill the requirements of display of under rules 130 to 137 of Central Motor Vehicles Rules 1989.

Painting of the color codes and all other statutory display has to be done by the bidder at his own cost before deploying the vehicles for carrying CNG Cascades.

All the Three sides of the loading carrying body of Vehicle shall be removable type (i.e., Drop side deck type) for easy accessibility of the cascades.

The vehicle loading body shall have sufficient loading span to accommodate the cascade and minimum 150 mm free space shall be available on all the sides of cascade after installation and there shall be no hindrance in filling CNG into the cascades.

- 15.** Branding shall be done as per BGL specifications Minimum Size:2 ftX6ft Flex board on both sides of LCV's made with iron/G.I. Sheets as per details given by EIC and is in the

Signature & Seal of the Bidder

Bid Document No. BGL/593/2023-24

Vol II of
II

scope of Contractor. If the bidder fails to arrange the flex, then a penalty of Rs. 2000/- per vehicle per month will be levied.

- a. Bidder shall paste printed flex/vinyl banner on the vehicle as per the standard designs given by the Owner. The details of content, color coding, size and other design parameter shall be given by Owner. Bidder shall prepare the flex/vinyl banners as per the directions given by the owner at his own cost.
- b. The Flex banners shall be pasted on both side panels and rear panels of loading body as well as front side of the driver cabin as per the drawing issued by Owner. The necessary permissions for branding from statutory/RTO authorities shall be in bidder's scope.
- c. The Other Stickers/Paintings shall be done as per the provision of Motors Vehicle Act – 1998 and Central Motor Vehicle Rules – 1989.
- d. The Hazchem Panel shall be put on vehicle by the bidder at his own cost as per the direction of Owner. The details of Contents and format shall be given by Owner.

16. Bidder shall securely mount the CNG cascade and make all necessary mounting arrangements including hiring of crane for lifting & handling of CNG cascades, supply of 'U' bolts and locknuts for anchoring cascades frame to chassis and installation of necessary supporting stiffener at requisite positions. The complete job of mounting CNG Cascade to the satisfaction of the Engineer-in-charge shall be completed within one day of issue of the cascade.

17. **Technical specifications** / dimension of CNG cascade to be mounted on the Vehicle are as follows: (tentatively)

Description	M/s Rama Cylinders / M/s. EKC / M/s.MKC or any other make tentative details of cascade is as follows
Capacity	3000 WL
No. of Cylinders	40
Capacity of each Cylinder	75 WL
Length x Width x Height	3.9 m x 2 m x 1.8 m
Cascade weight with CNG	Approx. 6.2 Ton

However, Bidder to visit the site before quote to check the physical dimensions of Cascade to be mounted on LCVs.

- 18.1 For Light Commercial Vehicle of minimum 6.5 tons payload

- a. The vehicle shall be fully built-up type including driver cabin and loading body. Only chassis type vehicle shall not be considered.
- b. All the three sides of the load carrying body of the vehicle shall be removable type (i.e. drop side deck type) for easy accessibility of the cascades.
- c. Indicative cascade dimensions (approx.): 5085 mm Length X 2000 mm Width X 1565 mm Height (For details, refer attached drawings)
- e. Pay Load: Not less than 6.5 Tons
- f. Fuel: CNG
- g. Vehicle tracking system

Signature & Seal of the Bidder

Bid Document No. BGL/593/2023-24

Vol II of
II

- i. The vehicle model for this contract should be of year 2023 or later and in perfect running condition confirming to latest BS emission norms. Offered Vehicle shall be from any one of manufacturer with opening body facility on Mobile cascade CNG cylinder's valve side.
18. DCP (ABC Type) stored pressure Fire extinguisher of 9 kg capacity of reputed make Safex/ Kanex for each VEHICLE shall be supplied by Bidder. Bidder shall mount fire extinguishers on the Vehicle as per the directions of Engineer-in- charge. The cost of supply and fabrication of steel material for mounting the extinguishers shall be borne by the bidder. The bidder will be responsible for periodic health checkup, maintenance of the fire extinguishers as per its OEM standards.
19. Payment shall be effective from the date when bidder has completed mounting of cascade and ready for filling of CNG. Also obtaining permission for 24 hours Entry Permit from traffic police shall be requisite condition for the bidder so that commercial operation of BGL is not affected.
20. Payment of all taxes, duties, and service charges etc. on the Vehicle as per statutory requirements shall be borne by the bidder except toll gates charges.
21. **Indemnity:** Bidder shall indemnify company for any accidents or incidents or damages to the BGL or retail outlets or APSRTC depots or any third party men, material and property etc as referred under Motor Vehicle Act. Bidder to submit an undertaking Indemnity Bond as per Format-13 in bid document.
22. **Transport Operation:** Transport services shall be provided round the clock on designated routes and as per the schedule given by Engineer-in-charge on all days. Transport services shall be governed as follows :
- a. Opening of Entire Mobile cascade CNG cylinder valves for unloading CNG. Disconnect the quick connect coupling of the cascade after proper de- pressurization of the hose, as soon as storage pressure falls to a level decided by the Engineer-in-charge and transport the cascade to Mother/ filling stations. Closing of Entire Mobile cascade CNG cylinder valves for safety during transit. Any damage caused to BGL will be suitably recovered from the bidder by BGL.
- b. Opening of Entire Mobile cascade CNG cylinder valves for loading CNG . Connect the cascade with the filling hose by connecting quick connect coupling available at mother stations for refilling. Any damage caused to BGL will be suitably recovered from the bidder by BGL.
- c. Transport the filled mobile cascades from Mother/ filling stations to daughter stations and connect to station tubing through quick connect coupling and unload by Opening of Entire Mobile cascade CNG cylinder valves. Any damage caused to BGL or retail outlet will be suitably recovered from the bidder by BGL.
- d. Each Vehicle shall be provided with a logbook for recording of running Kms and the pressure level in the mobile cascade in each bank, time, station name etc. to be filled at commencement of each trip. Driver shall also record any leakage, burst disc failure during the trip. The logbook has to be signed by station manager / technician for each trip & countersigned by control room shift in-charge of BGL on daily basis. Also, driver should record the pressure level in the mobile cascade and stationary cascade at retail outlets in the vehicle log book.

Signature & Seal of the Bidder

Page 9 of 45

Bid Document No. BGL/593/2023-24

Vol II of
II

- e. Daily filling & dispatch statement has to be prepared by the contractor and the same has to be submitted daily at the respective control rooms of BGL by 8AM daily.
23. The Vehicle drivers and attendants shall wear **uniform** as approved by EIC and the same to be supplied by the bidder. Drivers have to wear the **PPEs like helmets; safety shoes** etc in the operational premises and maintain the discipline & decorum in the CNG stations. Drivers without proper uniform will not be allowed for duties and penalty will be imposed.
24. Bidder shall depute supervisors for smooth operation of transport services to the satisfaction of Engineer-in-charge. Supervisors shall be provided with the conveyance and mobile phone having two way communication facilities for effective supervision and better co-ordination.
25. Bidder carry out all schedule maintenance of Vehicle and provide the copy of schedule maintenance record to Engineer-in-charge on monthly basis. Bidder shall plan schedule maintenance in consultation and prior permission of Engineer-in-charge.
26. **Off Time:** Bidder shall be allowed to avail **maximum of 2 days off in 01 month per vehicle** for maintenance of Vehicle. This period of two days includes any scheduled /unscheduled maintenance /breakdown of VEHICLE. The period also includes taking the VEHICLE for statutory requirements to the office of Transport Dept. for the purpose of obtaining fitness certificate and all other statutory documents, including hydro testing of CNG storage cylinders installed in CNG fuelled vehicles.
27. **Penalty:**
The following criteria also entitles for the imposition of penalties. In case, agency fails to provide the services during contract period or does not follow the tender conditions, penalty may be imposed as below:
1. In case of delay in deployment of the vehicle within the stipulated period (as per relevant / applicable clause) there shall be a provision of penalty @ Rs 1000 per day.
 2. In case of unscheduled absence of service / vehicle / driver beyond allowed transit time (To & Fro), following penalties shall be levied in following manner:
 - a) Penalty for non-availability of service due to any reason for more than one hour and till four hours is up to Rs 1000.
 - b) In case non availability of service exceeds four hours, additional penalty up to @ Rs 200 per hour for additional hour of non-availability of service will be imposed.
 3. In case of scheduled/ informed absence of Vehicle due to maintenance, major breakdown, vehicle being taken away by traffic police, vehicle sent for fitness certification, accident; bidder will deploy alternate vehicle immediately with all equipment / devices (like GPS, speed governor, sling, ladder, spark arrester etc) as per contract terms & conditions and will inform BGL accordingly. Removal of alternate vehicle and resumption of original vehicle will take place with due information to BGL. In case, bidder is not able to arrange alternate vehicle, penalty over and above cumulative allowed time @ up to Rs 2000/= per day per vehicle shall be levied. In addition to this, bidder will not raise invoice for the absence period and BGL will not release payment for the absence period. Eg. If a vehicle with an available cumulative allowed time of 48 hours remains unavailable for 16 days without providing stand by vehicle. The penalty will be calculated as follows: (16 days - 2 days) x 2000 = Rs 28000.

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

4. Bidder will be allowed to have Two days (48 hours) off for each vehicle in a calendar month for maintenance of vehicle with prior intimation. The unused period out of 48 hours can be carried forward for next month. The maximum period of accumulation will be 48 hours in a month. In case same is not availed, only 24 hours out of unused 48 hours will be further carried forward to the next month. An additional two days per vehicle for each year will be allowed for fitness check. Bidder has to submit copy of fitness test in support of their claim along with invoice.
Eg. If a vehicle with an available cumulative allowed time of 48 hours remains unavailable for 16 days for want of repair after an accident. The penalty will be calculated as follows:
 $(16 \text{ days} - 2 \text{ days}) \times 2000 = \text{Rs } 28000.$
5. Bidder to ensure that vehicle plies in safe manner and within a maximum speed limit as defined by local statutory authorities. For the purpose, bidder shall regularly check speed governor and monitor GPS system. BGL will impose penalty of Rs.1000 per instance on cases of vehicle plying beyond speed limits. Moreover, such cases shall be considered as “unsafe practice” and will be treated accordingly.
6. It is to be ensured by the bidder that the vehicle drivers are equipped with mobile communication at all point of time. In case the bidder fails to provide this facility, a penalty up to Rs.500/- per day per vehicle may be applied.
7. Proper filling of logbook is part of CNG transportation service. The document is a basis of invoicing and penalty calculation. Bidder shall ensure that their driver fills log books in correct proper manner without making any cutting and erasing detail with correction fluid etc. Cases will be liable for penalty @ up to Rs 100 per instance.
8. Bidder to ensure that their drivers wear proper uniform and shoes as necessary by relevant clause. Cases of non-adherence of guideline will lead to penalty to bidder @ up to Rs 100 per driver per day.
9. If worker is found being involved in malpractice / misconduct, BGL shall impose a penalty of 3 times of the per day fixed charges rate on pro-rata basis. In case of misconduct / malpractice / inefficiency, decision of EIC shall be final.
10. The contractor has to disburse wages/salary to every worker deployed on or before 07th date of each month through e-banking to bank accounts of individual employee through any reputed bank. The agency must submit Proof of e-payment of wages along with RA bills. If salary is not disbursed to employees by 7th of every month, BGL may impose a penalty of Rs. 100/- per day per employee from the contractor's corresponding month's RA bill / any subsequent RA bill. Similarly, the contractor has to deposit PF Contribution (Employee plus Employer's Share) by 15th of successive month, else BGL may impose a penalty of Rs. 100/- per day per employee from the contractor's corresponding month's RA bill/ any subsequent bill month's RA bill. Also, the contractor has to deposit ESI subscription by 15th of successive month, else BGL may impose a penalty of Rs. 100/- per day per employee from the contractor's corresponding month's RA bill/ any subsequent month's RA bill.
11. The contractor shall ensure that deployed manpower shall not indulge in any type of destructive activities. Any loss of BGL property shall be recovered from the RA Bill and / or CPBG at the rate of 2 times the value of the damaged property.
12. Penalty of Rs. 100/- per incident against non-observation and non-compliance of statutory requirements and HSE.
13. Contractor shall maintain driver duty hours as per motor vehicle act and other statutory regulations. However, BGL will levy penalty of up to Rs 500 per day for cases where driver works beyond 16 hours in a day. The driver duty hours shall fulfill requirements of statutory regulations. All vehicles shall be fitted with proper seat belt. The drivers shall remain available in vehicle throughout 24 hours in all days.

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

14. Failure to comply with HSE requirements given under Annexure – A shall attract penalty of Rs. 5000/- per each non-compliance.
15. For imposing of all the above penalties, the decision by BGL EIC is final and binding.
16. If the bidder fails to arrange / repair the Vehicle Tracking System, then a penalty of Rs. 5000/- per vehicle will be levied. Rectification time shall be given of 2 days. After that vehicle shall attract penalties as per the tender clauses,
17. If any civilians found in the vehicle other than the authorized personnel instructed by the Engineer In Charge during the transit or at Mother Station, shall attract a penalty of Rs 3000/- and repeatedly offended driver will be suspended from the duty for a period of Three Months.
18. If the bidder fails to arrange the supervisor, then a penalty of Rs. 3000/-per day shall be imposed.
19. Non-Submission of running / final bill beyond 30 days of stipulated time for the applicable date of bill submission.
Applicable date is 10th for monthly bill and within 10 days for Final bill.
Rs. 1000/- per instance and Rs. 100/- per day beyond that period will be deducted from the running bills.
20. The total penalties (inclusive of all the penalties mentioned in tender) shall not exceed 20% of the invoice amount of the monthly RA Bill.
21. If the bidder fails to comply the Sl.No. 7 (Driver Responsibilities) of Scope of Services is found to be violated, Penalty of Rs.1000/- per instance per LCV to be deducted.
28. The bidder shall obtain the Traffic Police clearance for 24-hour entry permit for plying CNG cascades mounted VEHICLE on road. Any assistance / document required in this regard shall be provided by BGL. The Vehicle movement shall not be restricted within the city of Vijayawada and therefore necessary permit for state transport movement in Vijayawada shall be obtained by the bidder at its own cost. The commercial operation of BGL should not be effected for non-compliance of such requisite permits. If at all the operation is effected, the loss shall be recovered from the bidder on the rate decided by the Engineer-In-Charge.
29. **Insurance:** The bidder shall be required to take Comprehensive Insurance Policy including third party coverage for each vehicle from a reputed Insurance Company and shall keep in force during the tenure of the contract. For all other company's materials i.e. cascades, fire extinguishers etc. BGL will arrange insurance at its own cost. In case of any damage caused by the act of the bidder personnel to company's property on the vehicle and is not recoverable from the insurance company the same will be recovered from the bidder.

Contractor shall at his own expense carry and maintain insurance with reputable insurance companies as follows: -
 - a] Employees State Insurance Act (Wherever applicable).
 - b] Employer's Liability Insurance.
 - c] Insurance as applicable stated in
30. Vehicle provided under the transport services should be covered by ZONAL PERMIT at bidder's cost.

Signature & Seal of the Bidder

II

31. The bidder shall ensure that no person in the vehicle would smoke or no fire or other ingredients of ignition should be permitted in the vicinity of the vehicle. No other goods should be carried in the vehicle.

32. **EXCLUSIONS**

The following shall be provided by BGL:

a) CNG Cascades

33. **LOCAL CONTACT OFFICE**

It is necessary that the bidder has a contact office in Vijayawada and gets the photographs, names and addresses designations and signatures of their authorized Supervisors/ representative duly registered in advance with the BGL.

34. **CNG FUEL FOR LCV's RUN BY CNG**

Upon the request of the bidder, CNG Fuel shall be supplied only at Mother Station, Vijayawada. The bidder shall pay the amount in the first week of every month for the fuel consumption of the previous month. Bidder shall submit **a Cash Deposit in advance for Rs. 60,000/- per vehicle** towards purchase of CNG, in favor of BGL and shall be valid for a period of 4 years. However, it is not binding on BGL to supply CNG and the credit facility can be withdrawn by BGL at any time during the contract period without giving any notice.

Bid Document No. BGL/593/2023-24

Vol II of
II

5.0 ACCOMMODATION / TRANSPORTATION / MEDICAL

The bidder shall make his own arrangement for the accommodation of his personnel at respective locations and subsequent transportation arrangement for them from their place of residence to workplace or any other place as required and company shall have no obligation in this respect. The company shall not be responsible for providing any medical assistance to the contract personnel.

6.0 DISCIPLINE

The bidder shall be responsible for the discipline and good behavior of all his personnel deployed in the services contracted and should any complaint be received against any of his employee, he shall arrange to replace such persons within 24 hours of notice issued by the Engineer-in-charge. The decision of the Engineer-in-charge in this matter shall be final and binding on the bidder.

7.0 (A)GATE PASS / IDENTITY CARD

If required by the BGL the bidder shall arrange to supply / renew identity card to his workforce at his own cost for security or for any other reasons. Those bidders' personnel shall be required to carry their respective identity cards while on duty and produce on demand.

(B) Biometric System:

Contractor (s) are required to install Biometric System at his own cost to regulate the entry and exit of the resource(s) deployed by him.

8.0 RIGHT TO GET SERVICE CARRIED OUT THROUGH OTHER AGENCIES

Nothing contained herein shall restrict BGL from accepting similar service from other agencies, at its discretion and at the risk and cost of the bidder, if the bidder fails to provide the said service as per the terms, scope specified in this tender any time.

9.0 SUB LETTING OF CONTRACT

No part of this contract shall be transferred or assigned or sub-let, directly or indirectly to any person / firm or organization.

10.0 DURATION OF CONTRACT

The period of contract shall be 04 Years from the date of issue of WO. Contract period is **extendable** at the same rate, terms and conditions at the sole discretion of BGL.

During the tenancy of this contract, BGL can increase and or decrease the number of the vehicles required. The quantity of work / services(s) showing in the schedule of rates is tentative. **No compensation on account of decrease or increase of scope of services shall be payable** to the bidder whatsoever may be the reasons thereof.

Bidder will have to mobilize the vehicles within 45 days from the date of work order / written demand served by the Engineer-In-Charge whichever is earlier. The contract period shall be reckoned from the date of WO/FOA.

The agreed rates shall remain firm till the expiry of contract and the bidder shall not be entitled to any escalation or revision (statutory or otherwise) or any right to claim, whatsoever by way of representation, explanation, statement, or alleged representation or an outstanding or promise given

Signature & Seal of the Bidder

Page **29** of **45**

II

or alleged to have been given by any employee of the company or due to bidders own ignorance or on account of the difficulties or hardships faced by him. The rates as such shall be inclusive of all taxes / duties / levies etc. and shall remain firm till expiry of this contract.

However, escalation / de-escalation on account of change of rate of CNG will be applicable as defined in the aforementioned clause of this tender document with applicable base price at Vijayawada for local Transport.

Relevant information / certificates called for in the bid shall be annexed to the bid properly. Non receipt of any information / certificates with the bid shall entail rejection of the bid.

Canvassing in any form shall entail disqualification.

11.0 THE ENGINEER IN-CHARGE SHALL HAVE POWER TO

- i) Issue the bidder from time to time during the running of the contract such further instructions as shall be necessary for the purpose of proper and adequate execution of the contract and the bidder shall carry out and be bound by the same.
- ii) Order the bidder to **remove or replace** any workman whom the company / considers incompetent or unsuitable and opinion of the company representative as to the competence of any workman engaged by the bidder shall be final and binding on the bidder.

12.0 DEPLOYMENT SCHEDULE:

Bidder shall deploy the vehicles within 30days from the date of FOA unless a written communication from EIC of BGL. BGL shall be in full power to refuse any or all of the vehicles which are not in a good condition serviceable for CNG transport or not meeting the specifications. Meeting the model and year of manufacture shall not be binding for acceptance by BGL. In this effect Engineer In-Charge shall be in full power to decide the suitability or unsuitability. However detail report of non-suitability shall be submitted by the Engineer In-Charge in writing.

13.0 BIDDER'S WORKMEN

- 13.1 The bidder shall indemnify BGL & shall be solely and exclusively responsible for any liability arising due to any difference or dispute between him and his employee for the execution of this contract at any time during the contract period and also after the contract period is over for such cases arising out of the time when the contract was operative. All workmen engaged by the bidder shall be on his roll and be paid by him and BGL shall have no responsibility towards them.
- 13.2 The bidder shall ensure and will be solely responsible for payment of wages and other dues latest by **7th of the following month** to the personnel deployed by him in the presence of the Company's representative.
- 13.3 If, however, any claim is made by any employees of the bidder against the BGL for wages, compensation or any sum of dues, the bidder agrees to indemnify the BGL of all such claims and to pay all the expenses which the BGL may incur in defending any proceedings pursuant to such claims.

II

- 13.4 Unauthorized driving of the bidder's LCVs by his men, who do not possess valid necessary vehicle driving licenses within or outside the BGL's premises while handling transportation for the BGL shall not be permitted.
- 13.5 The bidder and his men shall abide by the rules and regulations of the BGL when they are within the BGL's CNG stations premises. All safety precautions as per the BGL's rules should be observed by the bidder and his staff/men so long as they are within the BGL's CNG station premises.
- 13.6 The bidder shall be responsible for and shall pay any compensation to their employee's payable under the Workmen's Compensation Act 1923 and 1933 and the amendments thereto for the injuries caused to the workmen. The bidder shall be responsible for and pay the expenses for providing medical treatment to any employees who may suffer any bodily injury as a result of any accident. In every case, in which by virtue of the provisions of section 12 sub-section 1 of workmen's compensation Act, 1923, the BGL is obliged to pay compensation to workmen employed by the bidder in execution of the works, and without prejudice to the rights of the BGL under section 12, sub-section 2 of the said Act, the BGL shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due from the BGL to the bidder whether under this contract or otherwise. The BGL shall not be bound to contest any claim made against it under Section 12, Sub-section 1 of the said Act except on the written request of the bidder and upon his giving to the BGL full security for all costs for which the BGL might become liable in consequence of contesting such claims.
- 13.7 The bidder shall be liable for all payments in time to his staff employed for the performance or carrying out of the said work and in respect of all claims and liabilities of the bidders business and the BGL shall in no event be liable or responsible for any payment and the bidder shall keep the BGL indemnified against the same and from all proceedings in respect thereof.
- 13.8 The contractor shall duly introduce the Provident Fund Scheme to the staff employed by him, if so required, by law as envisaged by the provisions of Employees' Provident Fund Act.
- 13.9 The Contractor shall duly introduce the contributory scheme for the employees under him, it so required by law, as envisaged by the provisions of State Insurance Act, 1946.
- 13.10 The bidder shall observe and implement all the laws of the land and the rules frames there under which are beneficial to the staff employed by him and that the BGL shall, in no event be liable or responsible for any default that will arise out of on-observance of such laws, rules on the part of the bidder and that the bidder shall indemnify and keep indemnified the BGL against the same and from all proceedings in respect thereof.
- 13.11 The Bidder agrees to abide by the Motor Vehicles Act, payment of Wages Act and other Labour laws and regulation in force in the area where he is plying the LCVs.
- 13.12 The bidder shall indemnify and keep indemnified the BGL from any claims made under the Workmen's Compensation Act of 1923, Employees State Insurance Act, Employees' Provident Fund Act and/ or other Laws in force by the bidder's employees including the driver, cleaner, labour or any other person in connection with the transportation of the product.
- 13.13 The bidder shall indemnify BGL against all losses or damages caused to it on account of acts of the personnel deployed by the bidder.

II

- a) Application for issuance of Form-V for obtaining Labour license from Licensing Authority for engaging 20 or more contract workers.
- b) Copy of Labour License before commencement of work if 20 or more contract workers are engaged.
- c) List of persons along with Designation, Employee No., PF Account, ESI Card No., Insurance Coverage No., etc.
- d) Copies of Identity Card issued by the contractor of persons to be engaged in BGL.
- e) Copy of Provident Fund Registration Certificate issued by concerned Regional Provident Fund Commissioner.
- f) Copy of Employee State Insurance Registration Certificate issued by Concerned ESIC (wherever applicable).

14.0 TERMINATION OF ORDER

14.1 Termination for Default

The Owner may without prejudice to any other remedy for breach of contract, by written notice of default sent to the bidder, terminate the contract in whole or in part: -

- a) If the bidder fails to deploy the vehicle / vehicles within the time period(s) specified in the contract; or
- b) If the bidder fails to perform any other obligation(s) under the contract; or
- c) Non-availability of service for any reason; and
- d) If the bidder fails to deploy the vehicles of specified model and year of manufacture.
- e) If the bidder, in any of the above circumstances, does not rectify his failure within a period of 2 days and the same if continues beyond 10 days, BGL reserves the right to hire the vehicles from any other alternate source at full risk and cost of the bidder and the actual charges incurred shall be recovered from the bidder inclusive of all taxes & duties.

14.2 Termination for non-requirement

M/s BGL may terminate the contract (whole or in part) in case the ordered vehicles are no longer in need which may arise out of policy or marketing related changes by serving prior notice of One Month in this regard.

15.0 COMPLIANCE OF LAWS

The bidder which shall include the contracting firm / company shall be solely liable to obtain and to abide by all necessary licenses from the concerned authorities as provided under the various labour laws legislation's including labour license from the competent authority under the contract labour (Regulation & Abolition) Act 1970 and Acts made thereafter.

The installations where job is to be carried out are live and have hydrocarbon environment, bidder shall comply with all safety rules and regulations and other appropriate instructions issued.

16.0 EVALUATION OF OFFERS:

Signature & Seal of the Bidder

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

- 1 The Evaluation will be done for the lowest cost to the company.

17.0 PROCEDURE FOR NEGOTIATION:

In the event of negotiations, the same will be held with L-1 party/parties. Counteroffer of the rate finalized with the L-1 party shall be offered to the other parties in ascending order of their rankings till the full requirement of LCV is met. Any party/parties not willing to accept/refuses the counteroffer, the chance shall be provided to the next higher-ranking party/parties. **The party who has refused once shall not be considered thereafter.**

18.0 ALTERNATE VEHICLE:

Alternate vehicle of different model may be allowed for a period up to 1 month, subject to below mentioned payment terms, at the sole discretion of BGL with the specific approval of the alternate vehicle from BGL's EIC. However, vehicle offered by the bidder shall meet all other terms and conditions of the contract and shall be in absolute working condition and fully road worthy, duly registered with RTO, all taxes paid and comprehensively insured.

The monthly payment for vehicle supplied in lieu of model of deployment year, shall be payable @20% less than the quoted value for old model vehicle. If the bidder fails to replace the alternative vehicle with specified model within first 1 month of deployment, then such LCVs shall be immediately stopped without any financial implication to BGL and applicable penalty for not supplying the LCV.

Expenses towards Loading, Unloading, Securely mounting of cascades on alternate vehicle supplied in lieu of model of deployment year, from BGL store and from alternate vehicle to new vehicle shall be borne by bidder.

19.0 PRICE REDUCTION SCHEDULE(PRS):

Price Reduction Schedule (PRS) be applicable on initial deployment for the late deployment of the respective vehicle at 0.5% of prorates work order value for every week of delay up to a maximum of 5% of the total work order value.

20. The vehicle shall be deployed for the services of BGL under the scope of this contract after due submission and verification of all related documents of the vehicle. The contractor shall not change the vehicle once deployed till the end of the contract except for the period due to breakdown and service/repair etc.

21. The rates quoted under monthly fixed charges shall be firm and BGL shall not entertain any claim of whatsoever nature for increasing the charges during the course of the contract. Further rate quoted for SOR item for Extra running Kms is subject to variation as per Price Escalation/ de-escalation clause given below.

22. **PRICE ESCALATION/ DE-ESCALATION:** On cumulative increase/ decrease of CNG fuel price equivalent to $\pm 5\%$ or more than 5% from base price, CNG escalation/ de-escalation would be given as per following clauses:

23. Price Escalation/ De-escalation Clause for CNG driven vehicle:

Signature & Seal of the Bidder

Page **35** of **45**

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

23.1 Monthly hiring charges should be quoted considering the base rate of CNG as Rs. 95/- per kg of CNG. The fluctuation in CNG retail selling rate will be considered as escalation/ de- escalation and will be applied accordingly from base rate. The methodology of calculation of CNG escalation/ de-escalation amount shall be as follows:

23.1.1 On cumulative increase/ decrease of CNG fuel price equivalent to rupees of 5% or more than 5% from base price, CNG escalation/ de-escalation would be given, considering vehicle running average of 5 Kms per Kg on CNG.

23.1.2 Subsequently, cumulative increase/ decrease of CNG fuel price equivalent to Rupees of 5% or more than 5% from this new price would entail revision in CNG escalation/ de-escalation, considering vehicle running of 5 Kms per Kg on CNG.

23.1.3 The revised CNG rate applicable on the 1st day of every month shall be considered for calculation of Fuel Escalation/ de-escalation for that particular calendar month.

e.g. (a) for CNG, Base Price: Rs 95 per kg; & 5% of CNG price: Rs.4.75/-

CNG PRICE REVISION	CNG ESCALATION/ DESCALATION ON PER KM PER VEHICLE (Rs)	REMARKS
1 st increase of Rs 0.90 per kg	NIL	Increase is less than 5%
2 nd increase of Rs 1.40 per kg i.e. total increase (0.90+1.40=2.30)	NIL	Cumulative increase is less than 5%
3 rd increase of Rs 3.50 per kg	$(0.90+1.40+3.50)/5=1.16$	Revision is applicable as cumulative increase is more than 5%.
4 th increase of Rs 2.70 per kg	1.16	No Revision as incremental increase is less than 5%
5 th increase of Rs 3.00 per kg	$1.16+((2.70+3)/5)=2.3$	Revision is applicable as cumulative increase is more than 5%

Escalation/ De-escalation shall be applicable on total running kms including minimum kms in fixed charges.

23.2 Base/ Monthly Rate of CNG

Signature & Seal of the Bidder

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

23.2.1 Monthly hiring charges shall be quoted considering the Base rate of fuel (CNG) as Rs. 95/- per kg.

23.2.2 CNG Fuel: For subsequent calculations of escalation/ de-escalation for per running km rate, the prevailing rate of CNG as on 1st day of particular month in particular GA shall be considered. Wherever CNG station is not operational in a particular GA, the CNG rate (prevailing rate as on 1st of particular month) of the nearest GA (may or may not be of BGL) will be considered.

24. SOR items, Basis for calculation of Kms, Fuel escalation/ de-escalation

24.1 The Bidder should quote for SOR items against Fixed charges for hiring of HCVs/ LCVs. Monthly hire charges per vehicle as quoted in Schedule of Rates shall include standard running of vehicle as mentioned in respective SOR items.

24.2 BGL does not guarantee any minimum extra running.

24.3 Extra KM (Beyond fixed KM per month): BGL shall pay for extra KM as per the rate arrived for respective SOR item through tendering process which shall be decided for all the vehicles plying in a particular GA on monthly basis on KM pooling basis. However, reconciliation of total running kms shall be done on Half Yearly basis and in case, if there is any recovery for underutilization of vehicles below the minimum running kms, the same shall be made through monthly bill submitted in the month of reconciliation. The above rate shall be variable based on Applicable Price Variation Formula. For estimate purpose, 10% of total KM is considered as extra KM:

Total KM = 3500 KM * 480 = 16,80,000 Extra KM = 1,68,000 KM

The Bidder should quote for all items of SOR. Monthly hire charges per vehicle as quoted in Schedule of Rates shall include standard running of vehicle as mentioned in respective SOR items.

24.4 **Non-Payment for Lower KM:** In case, a vehicle runs below minimum running KM (as given in respective SOR) on half yearly basis, then BGL shall not pay for underutilized KMs @ prevailing rate of CNG of 01st Month as defined at clause no. 22.2.2 above. Half yearly deductions shall be done on KM pooling basis for underutilized KMs considering all the vehicles plying in a particular GA.

E.g. If half yearly KM of an vehicle = 21,000 KM

Half yearly fixed KM (3500 X 6 Months) = 20000 KM

Signature & Seal of the Bidder

Page 37 of 45

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

Total unused KMs = 1000 KM

Per KM rate for deduction shall be derived as per escalation-de-escalation clause mentioned at para 24.1.3 above. Let's say this rate as "A".

Escalation cost (Rs.) = A

Rate of Un used Km's B = (monthly fixed charges / 3500)

Then total non-payment on account of unused Kms = $(B \times 1000) \pm (1000 \times A)$ = Rs. C /- This amount i.e. "C" shall be reduced from monthly rental bill of 06th Month (Fixed charges).

24.5 For working out additional KM /underutilized KM reconciliation of KM run shall be carried out every six months and additional KM/ underutilized KM shall be arrived on the basis of running of vehicle for six months. For working out additional KM/ underutilized KM running beyond standard KM the calculation is to be done for all the vehicle of the bidder as a single lot plying in a particular GA (GA-wise) and not for individual vehicle. It means that the cumulative total KM of all vehicle of the bidder (plying in a particular GA) will be compared with total standard KM running of all vehicle (plying in a particular GA) for calculating additional KM/underutilized KM.

24.6

The basis for the calculation of KMs:-

24.6.1 For all other GAs :

24.6.1.1 Standard KM chart between mother and daughter booster station shall be prepared on the basis of actual route which shall be decided after considering various relevant factors such as road condition etc. in consultation with EIC.

24.6.1.2 Number of trips between the pair of stations shall be counted from monthly vehicle movement record.

For e.g. suppose the round distance between a mother and daughter booster station is 36 KM. and number of trips in a month is 180

Total monthly KMs $(36 \times 180) = 6480$ KM

1	Providing CNG Driven Light commercial vehicles(LCV) pay load : Min 6.5 MT for cascade capacity of 3000WL inclusive of minimum 3500KM for round the clock operation basis as per tender document .		LCV-month	480			
2	Per Kilometer running rate for CNG driven LCV (for above SOR item) beyond fixed Kms (Rs./ Kms) as per tender document		Per KM	1,68,000			
Total amount (Excluding GST)							
GST@5%							
Total Amount incl. of all taxes & duties,& GST,Rs.							

Hiring of CNG fueled LCV's for transportation of CNG through mobile cascades within Vijayawada GA for period of 04 years

Bid Document No. BGL/593/2023-24

Vol II of
II

Note:

1. Contractor should quote all items of SOR.
2. Monthly hiring charges should be quoted considering the base rate of CNG as Rs. 95/- per kg of CNG.
3. For subsequent calculations of escalation/de-escalation for per running km rate, the prevailing rate of CNG as on 1st day of particular month in particular GA shall be considered. Wherever CNG station is not operational in a particular GA, the CNG rate (prevailing rate as on 1st of particular month) of the respective GA will be considered.
4. In case the vehicle runs below minimum kms (i.e. 3500 KM kept in fixed charges) in a month then BGL shall not pay for underutilized Kms in line with the provision of SCC
5. On cumulative increase/ decrease of CNG fuel price equivalent to $\pm 5\%$ from base price, CNG escalation/ de-escalation would be given as per the relevant SCC Clause. Escalation/ De-escalation shall be applicable on total running kms including minimum kms in fixed charges
6. The tentative Dimensions / Weight of Cascades as per attached Drawings in SCC/ SOW.
7. Unit rate of a particular line item will be derived by back calculating the total Lumpsum price of that particular line item with the quantity.
8. Toll charges will be paid at actual KMs upon receipt of proof of payment
9. Quoted price shall be inclusive of all taxes excluding GST
10. Period of contract is 4 years
11. BGL does not guarantee any minimum extra running Km. Additional running kilometers (Beyond fixed KM per month covered in fixed cost) for transportation of mobile CNG cascades, if any, shall be paid extra for deployed vehicles on half yearly pooling basis by comparing summation of fixed KM of all deployed LCVs during the half yearly period with summation of actual running KMs of all deployed LCVs during the same period. For estimate purpose, 10% of total KM is considered as extra KM per LCV month.
